

FOXLAND HARBOR

On Old Hickory Lake

Homeowners Association

February 4, 2023

To all Foxland Harbor Homeowners:

The HOA Board of Directors would like the neighborhood's feedback regarding the traffic calming devices on Vinings Blvd, and the potential of adding a four way stop at the intersection of Foxland Blvd and Vinings Blvd.

You should have received a simple two-question survey via email, where you'll be able to register your opinion on the subject. If you have not received the survey email, please check your junk mail.

Thank you for taking a moment to participate in this survey, the Board values your feedback.

Sincerely,

HALO Realty, LLC on behalf of Foxland Homeowners Association, Inc.
